SHOW: City of Belfast DTC

DATE: 1st July 2017

CLASS: Novice

JUDGE: Helen Boyde

Ring Steward: Angela Willis

Thank you to the City of Belfast DTC for the invitation to judge novice at their show. And huuuuuge thanks to my steward Angela, her first time stewarding and she was faultless; she put the competitors at ease and was great company! I shall be asking for your services again Angela...be warned heehee! I must just say thank you also to Kate McCartney for your help at the start at the day whilst we were getting ourselves organised, I know Angela & I both appreciated it, also to Crawford for his help with the scores etc at the end of the class. Oh and not forgetting Barry for being thrown in at the deep end and suddenly finding himself stay stewarding after appearing outside our ring at the wrong time and standing still for a moment too long!

There was a very laidback and relaxed atmosphere to the show which suits me fine. We only had a small entry and we were done and dusted by lunch time which was a blessing as the heavens decided to open just as we were wrapping up and finishing off the presentation. Speaking of which, those who went home with the prizes today were:

1st 41 Emma Gibson SIXELA PRESTWICK PRINCESS BC. Lost 5 ½ - Well done I know you were especially delighted to win the class today, it sounds like it has taken a lot of perseverance to achieve today's result. Pip was well handled and performed consistently throughout with only a tiny bit of lagging and a little stop on heel free being the main issues but really nothing major. I was delighted for you that she held it all together long enough in stays for you to achieve first place today!

2nd 66 Deborah Aiken FOXFOLD POLLYANNA GSD. Lost 6 – Wow! I am so glad you bit the bullet and decided to go for it. Jhana worked an absolute treat, heelwork was lovely especially the heel on lead which left me very little to mark and a clear recall. There was just a little blip with anticipation on retrieve which put you in second place but I am sure you'll get that sorted soon and I have no

doubt the red will be yours very soon on today's performance.

3rd 58 Jackie Williams DRUMNASCAP INKY C Span. Lost 6 $\frac{3}{4}$ - What a lovely team this was. Jackie handled her little spaniel brilliantly and I was very impressed with this round. A few wides (especially on the about turns) and a bit of sniffing made up most of the points lost but your sets were great with a clear recall so well done!

4th 37 Marj Isaac GENEX JUNCTION THIRTY SIX WSD. Lost 7 $\frac{1}{2}$ - I know you weren't sure you wanted to enter your boy Marj but I'm glad you did. It is all there and it really was just a case of little bits and pieces all adding up today; a few wides here, some crabbing there and a crooked sit or two plus Rhaq's interesting interpretation on how to finish after retrieve which relegated him a place but be pleased with how he did today, he's lovely.

5th 67 Deborah Aiken RASCAL AT RACEVIEW WSD. Lost 8 $\frac{3}{4}$ - This was a super round, just immaturity showing in parts where he was on/off your leg and decided to have a good look round at a couple of points. He would have been higher up in the cards if he hadn't fallen over towards the end of the sit stay but I know you are pleased with how he performed and rightly so.

Thank you to all the competitors for accepting my decisions and I hope you all enjoyed your day.
