ELIGIBILITY FOR CLASSES

In the following definitions of classes, first prizes or other prize wins are those gained in standard classes at any Kennel Club licensed championship, premier, open or limited agility shows (special classes and invitation events excepted). Only a first place with a clear round (completed within the course time set by the judge) count towards progression.

Standard classes are scheduled as agility classes or jumping classes. All standard classes will include the weaving poles obstacle. In addition standard agility classes will have the A-frame, dog walk and see-saw. With these provisos classes are defined as follows.

Class Structure. A class may either be held as a graded class or a combined class. A graded class may be scheduled for one or more consecutive grades with separate results and awards issued for each grade. A combined class may be scheduled for more than one consecutive grade with one overall set of results

Progression. Progression from each Grade will require one Agility win or 3 Jumping wins at that grade, at either **Full Height (FH)** or the **Lower Height Option (LHO)**, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be in agility classes. Results from Combined Classes will only count towards progression from the dog's current grade to the next grade.

Lower Height Option. Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two heights with a change part way through to raise/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

Competitors will be allowed to walk the course set at Small, Medium or Large height without their dog(s) before the class begins. Hurdles may be raised/lowered during the course walking time if multiple heights are offered within the same class.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

Points Progression. At a handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure that the Show Secretary signs the dog's agility record book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. Progression on points must be done prior to the closing date for entries. It is not possible to change on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club licensed Agility Shows may be used for progression through the grades. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 For owners, handlers or dogs which have not gained a first place in an agility class or three first places in jumping classes at Kennel Club licensed agility shows. N.B. Owners, handlers or dogs previously qualified out of Grade 1 (or elementary) are not eligible for this class.

Grade 2 Open to dogs which are not eligible for Grades 1,3,4,5,6and 7 and have not gained a first place in an agility class or three first places in jumping classes at Grade 2 at Kennel Club licensed agility shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 are not eligible for this class.*

Grade 3 Open to dogs which are not eligible for Grades 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club licensed agility shows & dogs which are not eligible for Grades 4, 5, 6 or 7.

Grade 4 Open to dogs which have gained a first place in an agility class or three first places in jumping classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club licensed agility shows and are not eligible for Grades 3, 5, 6 or 7.

Grade 5 Open to dogs which have gained a first place in an agility class or three first places in jumping classes at Grade 4 at Kennel Club licensed agility shows and are not eligible for Grades 3, 4, 6 or 7.

Grade 6 Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club licensed agility shows, one of which must have been gained in an agility (not jumping) class and are not eligible for Grades 3, 4, 5 or 7.

Grade 7 Open to dogs which have gained a minimum of four first places at Grade 6 at Kennel Club licensed agility shows. At least two of these first places must be agility.

purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show after the entry for that show has been sent, it is the competitor's responsibility to notify the show secretary at least 14 days before the date of the show. 25. Should the judge deem a re-run is required, any result and /or faults gained in the previous run must be discounted.

A breach of this Regulation may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any Agility show licensed by the Kennel Club. This shall apply at the venue and within the precincts of the show.

Dogs in Vehicles on Hot Days

Your dog is vulnerable and at risk during hot weather. The Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to, and whilst at, KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.

- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in an enclosed vehicle.
- Keep the dog in the shade – take your own shade. For example a large umbrella and sheets, and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED
